

KEEP THINKING ABOUT IT...

1 Our Western mind-set tends to equate knowledge with wisdom. According to the Bible, people can only be called “wise” when they behave wisely.

 *Education and insight aside, does your behavior reflect wisdom?*

 *Ask a trusted friend or mentor to answer that question for you.*

2 Wisdom is sometimes defined as “being skillful and successful in one’s relationships and responsibilities, observing and following the Creator’s principles of order in the moral universe.”

 *Whom do you know who fits that definition?*

 *Why do you see him or her that way?*

3 What is the difference between being smart and being wise?

 *How does knowing God more help us to be wiser?*

4 What do you understand the “fear of the Lord” to mean?

 *How does fearing god make us wiser?*

5 Why do you think proverbs cover such a large variety of topics?

 *Give some examples of how wisdom makes a difference in our day-to-day lives.*

6 Where are you on the wise/fool spectrum?

 *Closer to the wise, or closer to the fool?*

 *What do you think you need to do to become a wiser person?*
